São Paulo, August 1, 2019 - GOL Linhas Aéreas Inteligentes S.A. (“GOL” or “Company”), (NYSE: GOL and B3: GOLL4), announces to its shareholders and the market in general that its board of directors approved on July 31, 2019 the homologation of the Company’s capital increase, within the limit of its authorized capital, in the amount of R\$299,945.86, with the issuance of 84,477 preferred shares, with no face value, as a result of the exercise of stock purchase options granted under the Company’s Stock Option Plan, which was approved at the Company’s extraordinary shareholders’ meeting held on October 19, 2012 (“Stock Option Plan”).

The preferred shares issued are identical to existing preferred shares and, under the terms of the Company’s Stock Option Plan, will be entitled to the same rights granted to existing preferred shares, including the receipt of dividends and interest on capital.

The preferred shares were issued with the exclusion of preemptive rights of the Company’s shareholders, as approved pursuant to the provisions in Article 171, §3, of Law No. 6404, dated December 15, 1976, as amended.

The total issue price is R\$299,945.86, in accordance with the Company’s Stock Option Plan, representing R\$3.55062159 per preferred share.

As a result of the capital increase, the Company’s capital stock will increase from R\$ 3,103,331,204.29 to R\$ 3,103,631,150.15, represented by 3,131,973,351 shares, of which 2,863,682,710 are common shares and 268,290,641 are preferred shares, in each case, nominative with no par value.

Also, in accordance with Article 30, XXXII, of CVM Instruction No. 480, the Company discloses the following information:

– Sale price of all types and classes of the Company’s shares in the markets in which its shares are traded, identifying:

a) Closing sale price in each of the last three years as indicated:

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates," "believes," "estimates," "expects," "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
