GOL leads the on-time performance rankings in September

São Paulo, October 1, 2015 – GOL Linhas Aéreas Inteligentes S.A. (BM&FBOVESPA: GOLL4 and NYSE: GOL), (S&P: B-, Fitch: B-, Moody's: B3), the largest low-cost and best-fare airline in Latin America, hereby informs its shareholders and the market that once again underlined its commitment to on-time performance flights in September 2015, leading the on-time performance with 96.19%* of its domestic flights on time. There were 19,652 operations in the period, more than any other Brazilian airline.

The Company also maintained its leadership in Infraero's 2015 on-time performance rankings in the first nine months of the year and in the third quarter, with respective rates of 95.51% and 95.89%.

This leadership is the result of the Company's constant efforts in regard to flight planning, with a continuing focus on operating efficiency. In addition, internally GOL has adopted a zero minute delay target in order to increasingly improve its on-time performance rates.
