GOL leads the on-time performance rankings in November

São Paulo, December 1, 2015 - GOL Linhas Aéreas Inteligentes S.A. “GOL” or “Company” (BM&FBOVESPA: GOLL4 and NYSE: GOL), (S&P: B-, Fitch: B-, Moody’s: B3), the largest low-cost and best-fare airline in Latin America, hereby informs that it was Brazil’s most on time performance airline in November, with 94.64% (*) of its domestic flights taking off on time, according to Infraero. This was the ninth consecutive month that the Company has headed the on time performance rankings with 22,189 flights in the month, the largest figure among Brazilian airlines.

The Company also maintained its year-to-date leadership until November, when it reached 95.56% with 247,470 flights operated.

These important results reflect GOL’s constant investments in providing passengers with a better experience, ensuring that they receive an excellent service at every step of their journey.
